## **DR. RICHARD RENO VOTED 2021 BEST PEDIATRICIAN IN DESTIN**

**Destin, Fla. — May 7, 2021** – Readers of VIP Destin Magazine have voted Dr. Richard Reno, of the White-Wilson Pediatric Clinic in Destin, Best Pediatrician in the magazine’s annual Best In Destin awards.

Following a two-week nomination period where he ranked in the top ten of vote getters, Dr. Reno was named a finalist for the honor and ultimately secured the “winner” title earlier this year. In true winner’s fashion, he accepted his award at VIP Destin’s Black Tie Ball on April 10. He was joined by White-Wilson CEO, Alan Gieseman and Director of Market and Public Relations, Leslie Moland, who were on hand to accept White-Wilson’s award for Best Medical Practice.

“I am very honored to have received this award,” said Dr. Reno. “I love what I do and, while the true reward is the smiles on my patients’ faces and the knowledge that I am providing the best care possible to our community’s children, this is icing on the cake.”

Dr. Reno has been caring for White-Wilson Destin’s smallest patients since 2013. He specializes in all aspects of pediatric care and is now accepting new patients.
