## **Julian Tokarev, M.D.**

*White-Wilson Ophthalmology Clinic, Fort Walton Beach*

Dr. Julian Tokarev leads the White-Wilson Ophthalmology Clinic in Fort Walton Beach where he cares for patients of all ages and treats a variety of eye and vision-related conditions. Dr. Tokarev believes in developing positive relationships with his patients through honest and articulate communication and in tailoring his treatment methods to suit each person's needs and personality. He prides himself of being the kind of doctor who takes the time to ensure patients are fully informed about their health and how conditions may impact their lives.
